

Website Marketing & Social Media Proposal

For Sharma Packagings

1. Objective

The objective of this proposal is to improve the online presence, Google visibility, local search ranking, website performance, and social media presence of **Sharma Packagings**.

The focus will be on increasing visibility for industrial packaging-related searches such as:

Shrink Wrapping, Seaworthy Packing, Vacuum Packing, Palletisation, Industrial Packaging, Wooden Boxes, Export Packing, Machinery Packing, and related packaging services in **Vadodara, Amodar, Waghodia Road, Makarpura GIDC, Manjusar GIDC, Savli GIDC, Nandesari GIDC, Ranoli GIDC, Por GIDC, Halol, Padra, Karjan,** and nearby industrial areas.

2. Website SEO & Marketing Scope

A. SEO & Website Ranking Improvement

Under this plan, Sharma Packagings will receive complete SEO and website improvement support, including:

- ▶ Complete website audit to identify technical issues, ranking gaps, broken links, indexing problems, and quick improvement areas.
- ▶ Website structure improvement for better user experience and Google crawling.
- ▶ On-page SEO optimisation for all important service pages.
- ▶ Meta title, meta description, heading, URL, image alt text, and internal linking improvement.
- ▶ Google Search Console and Google Analytics setup.
- ▶ Google Business Profile creation and optimisation.
- ▶ Website security and performance improvement.
- ▶ Ranking visibility improvement for packaging-related keywords.

- ▶ 30 to 50 SEO articles/blogs planned, written, optimised, and published during the campaign period.
 - ▶ Relevant backlink creation from business directories, industrial platforms, packaging websites, and local listing platforms.
-

3. Organic SEO Strategy

The SEO strategy will focus on long-term organic ranking, local visibility, and lead generation.

- ▶ Monthly keyword research for high-value and low-competition search terms.
 - ▶ Keyword mapping for service pages, product pages, location pages, and blogs.
 - ▶ On-page SEO for title tags, meta descriptions, H1/H2 headings, URLs, and image alt text.
 - ▶ Technical SEO improvement for crawlability, indexing, sitemap, robots.txt, and canonical tags.
 - ▶ Image optimisation and Core Web Vitals improvement.
 - ▶ Schema markup implementation for FAQ, Article, Local Business, Product, and Service pages.
 - ▶ Google Search Console and Google Analytics monitoring.
 - ▶ Competitor analysis to identify keyword gaps, content gaps, backlink opportunities, and ranking weaknesses.
 - ▶ Off-page SEO through relevant backlink outreach and business directory submissions.
-

4. Website Maintenance

This plan also includes basic website maintenance to keep the website updated, secure, and technically healthy.

- ▶ CMS, plugin, theme, and platform update checks, if applicable.
 - ▶ Regular security scans and malware monitoring.
 - ▶ Uptime monitoring with a target of 99.9% availability.
 - ▶ Broken link, 404 error, and redirect issue fixing.
 - ▶ Mobile responsiveness and browser compatibility checks.
 - ▶ Minor content updates up to 2 hours per month.
 - ▶ Speed, image, and loading performance checks.
 - ▶ Inquiry form and contact flow testing.
-

5. Monthly Website Audit & Reporting

Every month, a performance report will be shared to track SEO progress and improvements.

- ▶ Technical SEO audit covering crawl errors, indexing issues, canonical tags, and broken links.
 - ▶ Page speed and Core Web Vitals review.
 - ▶ Keyword ranking report for selected important keywords.
 - ▶ Organic traffic overview through Google Analytics.
 - ▶ Google Search Console performance review, including clicks, impressions, CTR, and indexed pages.
 - ▶ Backlink profile review and toxic link identification.
 - ▶ 5 to 10 priority improvement recommendations.
 - ▶ Monthly SEO progress summary and next-month action plan.
-

6. Three-Month Growth Plan

Month 1 — SEO Foundation & Setup

- ▶ Conduct a complete website health check to identify technical issues, broken links, indexing errors, speed problems, and crawl barriers.
 - ▶ Prepare a complete keyword strategy for service pages, product pages, location pages, and blog topics.
 - ▶ Optimise existing website pages with improved meta titles, meta descriptions, H1/H2 headings, image alt text, and internal linking.
 - ▶ Set up and configure Google Search Console, Google Analytics, conversion tracking, and inquiry form goals.
 - ▶ Analyse competitors to understand their ranking keywords, content structure, backlinks, and website gaps.
 - ▶ Create a priority SEO roadmap for services such as Shrink Wrapping, Seaworthy Packing, Vacuum Packing, Palletisation, Wooden Boxes, and Industrial Packaging.
 - ▶ Improve website URL structure, breadcrumbs, navigation, and internal linking for better Google crawling.
 - ▶ Add basic schema markup for Organization, Local Business, Products, Services, FAQs, and Breadcrumbs.
 - ▶ Optimise homepage and main service pages for Vadodara, Amodar, Waghodia Road, Makarpura GIDC, Manjusar GIDC, Savli GIDC, Nandesari GIDC, Ranoli GIDC, Por GIDC, Halol, Padra, Karjan, and nearby industrial searches.
 - ▶ Research, write, optimise, and publish the first batch of SEO blog articles.
 - ▶ Submit sitemap and important website URLs to Google Search Console for faster indexing.

- ▶ Create and optimise Google Business Profile with correct business details, services, images, and location keywords.
 - ▶ Prepare a baseline report covering current rankings, website traffic, impressions, clicks, indexed pages, and technical errors.
-

Month 2 — SEO Growth & Momentum

- ▶ Publish consistent SEO content based on the approved keyword strategy.
 - ▶ Create and publish well-researched blogs targeting industrial packaging, shrink wrapping, seaworthy packing, vacuum packing, palletisation, and wooden boxes.
 - ▶ Strengthen internal linking between homepage, service pages, location pages, and blog articles.
 - ▶ Improve page speed, image compression, mobile performance, and loading experience across key pages.
 - ▶ Optimise Core Web Vitals, including Largest Contentful Paint, Interaction to Next Paint, and layout stability.
 - ▶ Add advanced schema markup for service pages, FAQ sections, blog articles, and local business information.
 - ▶ Improve Google Business Profile with updated services, business description, images, product categories, and Vadodara-based keywords.
 - ▶ Start quality backlink outreach from relevant industrial, packaging, logistics, manufacturing, and B2B directory websites.
 - ▶ Submit newly published pages and blogs to Google Search Console for faster discovery and indexing.
 - ▶ Track keyword movement for important search terms such as “shrink wrapping services in Vadodara,” “seaworthy packing company in Vadodara,” and “industrial packaging services in Gujarat.”
 - ▶ Review indexed and non-indexed pages in Google Search Console and fix crawl or coverage issues.
 - ▶ Optimise existing blogs with better headings, FAQs, internal links, CTA sections, and image alt text.
 - ▶ Add SEO-friendly image names and alt tags for all important service and packaging images.
 - ▶ Create location-focused content improvements for Vadodara and nearby industrial areas.
 - ▶ Build FAQ blocks on important pages to target long-tail search queries and improve AI/search visibility.
 - ▶ Monitor competitor activity and identify new keyword gaps for upcoming blogs and service pages.
 - ▶ Prepare a monthly SEO progress report covering keyword ranking changes, traffic growth, impressions, clicks, indexed pages, technical issues, and next-month action plan.
-

Month 3 — Authority Growth & Expansion

- ▶ Build strong topic clusters around core services such as shrink wrapping, seaworthy packing, vacuum packing, palletisation, wooden boxes, export packing, and industrial packaging.
 - ▶ Create dedicated pillar pages for major service categories to improve overall website authority and search visibility.
 - ▶ Start premium backlink outreach from high-authority DA 80+ websites, industry portals, manufacturing directories, packaging platforms, and business listing sites.
 - ▶ Publish supporting blogs that internally link back to main service and location pages.
 - ▶ Optimise existing blogs by adding better FAQs, comparison tables, CTA sections, images, and internal links.
 - ▶ Improve ranking pages by updating content depth, keyword placement, headings, and user-focused information.
 - ▶ Create location-focused SEO content for Vadodara, Amodar, Waghodia Road, Makarpura GIDC, Manjusar GIDC, Savli GIDC, Nandesari GIDC, Ranoli GIDC, Por GIDC, Halol, Padra, Karjan, and nearby industrial areas.
 - ▶ Add more product-specific content for shrink wrapping, seaworthy packing, vacuum packing, palletisation, and industrial packaging services.
 - ▶ Build authority pages targeting buyer-intent keywords such as “packaging company in Vadodara,” “seaworthy packing services in Gujarat,” and “shrink wrapping company near me.”
 - ▶ Strengthen technical SEO by checking crawl depth, duplicate pages, canonical tags, broken links, redirects, and sitemap indexing.
 - ▶ Improve AI-search visibility by adding clear summary sections, structured FAQs, schema markup, and factual company information.
 - ▶ Add more trust-building sections such as client logos, service process, industries served, certifications, packaging capabilities, and inquiry CTA sections.
 - ▶ Track keyword growth, ranking improvements, indexed pages, organic impressions, and lead-generation performance.
 - ▶ Review competitor content again and identify new service gaps, location gaps, and blog opportunities.
 - ▶ Prepare a detailed Month 3 performance report with ranking movement, traffic insights, backlink progress, indexed page status, and next-month growth plan.
-

7. Social Media Starter Plan

The social media plan will help Sharma Packagings maintain regular brand visibility across major platforms.

Platforms Covered

- ▶ Instagram
- ▶ Facebook
- ▶ YouTube / linkdn

Monthly Deliverables

- ▶ 1 professional reel per month.
- ▶ 8 social media posts per month.
- ▶ Caption writing for every post.
- ▶ Hashtag suggestions for better reach.
- ▶ Service-based creative post ideas.
- ▶ Brand awareness content.
- ▶ Product/service-focused designs.
- ▶ Upload-ready content for selected platforms.

The content will focus on services such as shrink wrapping, seaworthy packing, vacuum packing, palletisation, machinery packing, industrial packaging, and export packing.

8. Expected Outcome

With consistent SEO work, content publishing, Google Business Profile optimisation, technical improvements, and social media activity, Sharma Packagings can expect improved online visibility, stronger local search presence, better website traffic, and more qualified business inquiries over time.

Based on proper execution and market response, the campaign has the potential to generate high-conversion business inquiries that may contribute approximately **₹1 lakh to ₹2 lakh worth of monthly business opportunities.**

Final results may vary depending on competition, search demand, website authority, lead quality, pricing, client follow-up, quotation approval, and customer decision-making.

9. Three-Month Money-Back Guarantee

To give Sharma Packagings complete confidence in this marketing plan, this proposal includes a **3-month money-back guarantee.**

If Sharma Packagings does not receive even a single genuine sales inquiry through the website, Google Business Profile, SEO activity, phone call, WhatsApp, email, or social media marketing within the first **3 months** of the campaign, the complete marketing amount paid for those 3 months will be refunded.

Guarantee Conditions

- ▶ The guarantee applies only to genuine sales inquiries related to packaging services.
- ▶ Inquiry sources may include website forms, phone calls, WhatsApp inquiries, Google Business Profile leads, email inquiries, or social media messages.
- ▶ The guarantee covers inquiry generation, not confirmed sales conversion, because final conversion depends on pricing, quotation follow-up, client communication, negotiation, and customer decision-making.
- ▶ Sharma Packagings must provide timely support, required business details, service information, images, approvals, website access, Google Business Profile access, and any other required details whenever needed.
- ▶ If no genuine sales inquiry is generated within the first 3 months, the full marketing amount paid for those 3 months will be refunded.

Simple Guarantee Statement

If we are unable to generate even one genuine sales inquiry for Sharma Packagings within the first **3 months**, the full marketing amount paid for those 3 months will be refunded, subject to the conditions mentioned above.

10. Commercials

Website Marketing & SEO

₹15,000 per month

This includes SEO work, website optimisation, content planning, technical improvements, Google tools setup and monitoring, Google Business Profile optimisation, backlink outreach, and monthly reporting.

Social Media Marketing

₹5,000 per month

This includes 1 reel and 8 social media posts per month for Instagram, Facebook, and YouTube.

11. Current Monthly Pricing

Service	Current Monthly Cost
Website Marketing & SEO	₹15,000
Social Media Marketing	₹5,000
Total Monthly Cost	₹20,000

12. Offer Validity & Revised Pricing

This proposal and pricing are valid only until **8th June 2026**.

The current pricing is offered as an introductory monthly package for Sharma Packagings. After **8th June 2026**, the pricing will increase by **80%** based on the current package value.

Pricing After 8th June 2026

Service	Current Cost	80% Increase	Revised Monthly Cost
Website Marketing & SEO	₹15,000	₹12,000	₹27,000
Social Media Marketing	₹5,000	₹4,000	₹9,000
Total Monthly Cost	₹20,000	₹16,000	₹36,000

Final Pricing Note

If the proposal is confirmed on or before **8th June 2026**, the monthly package will remain at the current pricing of **₹20,000 per month**.

After **8th June 2026**, the revised monthly pricing will be **₹36,000 per month**, as the package cost will increase by 80%.

This pricing structure is based on the complete scope of SEO, website optimisation, content planning, Google Business Profile optimisation, technical improvements, reporting, and social media content deliverables included in this proposal.

13. Conclusion

The total monthly cost for website marketing and social media marketing will be **₹20,000 per month**, valid only until **8th June 2026**.

This plan is designed to improve Sharma Packagings' Google ranking, strengthen local SEO across Vadodara and nearby industrial areas, improve website performance, increase organic traffic, build brand awareness, and generate more qualified leads for industrial packaging services.

If the proposal is confirmed on or before **8th June 2026**, the current monthly package will remain at **₹20,000 per month**. After **8th June 2026**, the same package will be revised to **₹36,000 per month**.

This proposal also includes a **3-month money-back guarantee**. If no genuine sales inquiry is generated within the first 3 months, the full marketing amount paid for those 3 months will be refunded, subject to the guarantee conditions mentioned above.
